## National School Breakfast Programme

## bagel nash

Dear Parents/Carers,

We are excited to announce that from January 2019 we will be part of the government's National School Breakfast Programme (NSBP), which is being delivered by the charities Family Action and Magic Breakfast to ensure more children receive a healthy breakfast at the start of their day.

At least half a million children in the UK arrive at school each day too hungry to learn. Research has shown a direct link between the breakfast habits of children and their educational attainment.

**Our 'Grab & Go' Bagel Bar will commence Monday, 7<sup>th</sup> January 2019 in the dinner hall Smiles. Bagels will be offered on a daily basis to ALL students from 8.00-8.30am, FREE OF CHARGE!**

The 'Magic Bagels' are made especially for the scheme by Bagel Nash using a special recipe containing 25% whole wheat and fortified vitamin D, they are free from any artificial flavorings and preservatives.

If you need any further information please do not hesitate to contact me.

Yours sincerely
