

Behaviour Statement of Principles

Ethos

The Behaviour for Learning Policy at Newsome High School is a statement of good practice that covers all aspects of a High School that contribute to the development and maintenance of good behaviour and a positive ethos. All members of the High School are expected to help maintain an atmosphere conducive to learning, with courtesy and mutual respect as basic requirements.

Aims

1. To encourage adherence to an agreed set or principles of behaviour by students.
2. To support effective teaching and learning.
3. To contribute to mutual respect.
4. To gain the agreement and support of all staff (teachers and non-teaching staff) and parents

Living according to our values at Newsome High School, we have agreed to live our lives by our values of:
