

AQA CHEMISTRY Required practical videos

Making salts

https://www.youtube.com/watch?v=qIOMlwBoe_4

Investigating Temperature change

<https://www.youtube.com/watch?v=xO7QL0S90e8>

The effect of concentration on rate of reaction

<https://www.youtube.com/watch?v=WlitM81qGqE>

Chromatography (calculating Rf values)

<https://www.youtube.com/watch?v=pnTGNAfu6GE>

Purification of water samples

<https://www.youtube.com/watch?v=-XczTGavTZU>

Carrying out titration

<https://www.youtube.com/watch?v=Dj-T5dPjB4c>

Electrolysis

https://www.youtube.com/watch?v=tCHE_7QeRUc

Identifying unknown ionic compounds

<https://www.youtube.com/watch?v=kbcwMQzncFY>
