

14.11.19

Dear Parent/carer,

## **Community Candlelight Concert 16<sup>th</sup> December 2019 – Choir**

Our school is organising a Christmas concert at St. John's Church, Newsome on Monday 16<sup>th</sup> December 2019. Some local primary schools will be involved and there will be a range of performances taking place.

For this concert we are having a choir from Newsome High perform some Christmas and Pop songs and we are inviting any students interested to take part. There will be an initial rehearsal next Thursday (21<sup>st</sup> Nov) from 3pm until 4.30pm where students will learn the songs. There will then be two further rehearsals on two afternoons in school time, closer to the concert.

On the day of the concert, students will be rehearsing both in school and at the church all day. The concert will take place at 6pm in the evening and last approximately an hour and a half.

If your child would like to be involved (no previous singing experience necessary) please make sure they attend next Thursday's rehearsal which will take place in the music department.

Details of ticket sales and other ways you can support will be sent home closer to the concert.

Yours faithfully,

Miss Cole

Head of Creative Arts, PE and Technology
