

27th September 2016

Dear Parent / Carer,

We are coming up to our Autumn School Census for 2016.

This is a legal requirement that we, as a school have to complete.

This year they are asking for additional information which was not obtained through the school Admissions booklet. I would therefore be grateful if you could please complete the slip below and return to school by **Monday 3rd October** so that I can update the information we keep about your child and ensure that our census return is correct.

Additional information required:

- Country of Birth
- Pupil Nationality

Thank you in advance.

Yours sincerely

Miss S. Hirst
Office Manager

Please return to **reception** by **Monday 3rd October**.
