

9th April 2019

Dear Parent/Carer,

To continue supporting our communication and interaction with students, parents and carers, we are developing our ClassCharts platform. This means that from the 29th April 2019 you will be able to track and monitor the achievement and behaviour of your child via the ClassCharts website or the Parent and Pupil App. Once you are logged in, your account will give you access to an up to date report of your child's behaviour and attitude to learning alongside their homework tasks.

For more information about creating an account and accessing your child's behaviour, please use the link below.

https://www.youtube.com/watch?time_continue=183&v=TW8UXe0VdSk

For any queries regarding the activity log, please contact the subject Head of Department in the first instance by using the contact page on the Newsome High School website. The Head of Department will then pass this message on to the relevant member of staff. Any general queries should be directed to your child's Key Stage Leader or Manager.

<https://newsomehigh.co.uk/contact/>

While staff will endeavour to respond promptly, please note that this will not always be immediate due to professional commitments.

If you do not have a log in or have forgotten your password, please contact your child's Form Tutor or Key Stage Leader to receive a new one.

Thank you for your continued support.

Yours faithfully,

Joel Hinchliffe
Assistant Headteacher PDBW

Parent & Pupil Apps
