

2nd October 2017

Dear Parent/Guardian

It may not seem long ago since your child joined Newsome High School and Sports College: however, now as we enter Year 11, important decisions on what to do next will soon have to be made.

Creating Futures is an evening for Year 11 students and parents/guardians, held at school on Wednesday 11th October 2017 from 6pm to 8pm to which you are warmly invited to attend along with your child. The evening will provide a valuable opportunity for you and your child to find out about options after completing their education at Newsome High School and Sports College. A careers advisor will be available as well as representatives from Kirklees College, Huddersfield New College, Greenhead College, training providers and apprenticeships. You and your child will receive information about applying for colleges and apprenticeships.

There will be presentations on:

- Creating Futures (our assessment and target setting systems)
- GCSE Pod (an online revision resource)
- Post 16 options and how to apply for them

I hope you and your child will be able to attend this event and look forward to seeing you on the evening.

Please complete and return the reply slip below to the school's reception desk.

Yours faithfully

N Simmons
Director of Learning

Please return to Miss N Simmons c/o School Reception.

Students Name: ----- **Form:** -----

I / we will/will not* be attending 'Creating Futures' on Wednesday 11th October 2017.
