## Dear Parents and Carers

On Sunday evening, a disturbance occurred on Church Lane in Newsome involving approximately 30 young people. This naturally affects our school community and I write to assure parents that we are putting appropriate provision in place to support our students.

West Yorkshire Police are conducting an investigation into the matter and have asked us to support them in their enquiries. If you or your child witnessed the disturbance, please get in touch with them quoting crime reference number 13170588237.

Our Pastoral Team have done a brilliant job of supporting students that have been affected by this incident and we are working closely with the police to ensure that this is dealt with swiftly and appropriately. Our students have also acted maturely in acknowledging that any incident of this nature is not accepted in society.

Yours sincerely

Mr Dean Watkin  
Headteacher
