

## SCHOOL GCSE RESULTS 2019 PRESS RELEASE

### CONGRATULATIONS ON THE BEST RESULTS IN THE HISTORY OF THE SCHOOL!

We are delighted that the hard work of students and staff has been rewarded with this year's results. In addition to this **we celebrate the best ever results the school has ever seen**. All at Newsome High School are so very proud that the determination and effort of our students has seen outstanding achievement including gaining a number of the prestigious grade 9s.

Despite yet more significant changes to the exams and qualifications framework nationally, Year 11 students have shown overall improvements in a number of areas compared to previous years and the **highest ever attainment and progress measures in the history of the school**. These achievements will allow our students to follow the path of their choice, whether that be entering higher education, apprenticeships or other further training and all staff in our school family wish them all the very best and remind them that we continue to support them in their future life chapters - keep in touch!

As always, it was a pleasure to join in the celebrations of students collecting their results and seeing the fruits of their labour. We look forward to future celebrations with our students as they continue their educational journey in our inclusive school, including even more exciting plans to both our broad curriculum and our building to ensure even more record-breaking success.

Our school provides a wonderful opportunity for students to truly fulfil their potential in a caring and vibrant community and we look forward to more students joining us in the coming years. We are committed to the view that it is: 'Everyone Exceptional, Every Day.' As the students of the 2019 cohort have demonstrated, the future is very bright indeed.
