

13th March 2017

Dear Parents/Guardians,

Parents' Revision Evening – Wednesday 22nd March 2017 – 6pm – 7.30pm

As Year 10 approach their final year, we would like to invite you to attend our forthcoming Parents' revision evening.

It is becoming clear that students' performance is raised significantly by an effective revision programme.

It is therefore extremely important that you attend this event as your child will be sitting their examinations from 15th May to 26th May.

Staff will be on hand from 6pm to offer advice and guidance and share useful resources that you and your child may find helpful.

We also have Learning Performance joining us. They are a family run business who specialise in coaching students and parents in effective ways to revise. They will be running a session in the Lecture Theatre at 6.45pm which should last no longer than 30 minutes.

Each child that comes on the evening will be entered into a free prize draw and each family that attends will also be entered into a separate prize draw.

Winning tickets will be drawn on the evening at 7pm and numbers displayed in reception.

Prizes have been gratefully received from Vision for Education.

I would be grateful if you would please complete the reply slip enclosed and return to reception.

Yours faithfully

Mr P. Pearson
Associate Headteacher
