

Maths Feast 3rd March 2019

Dear Parent / Carer,

I am very excited to be able to invite your child to compete in a 'Maths Feast', at the Trinity Academy Halifax on Wednesday 6th March 2019.

Maths Feast is a fun educational challenge for Year 10 students which tests problem-solving and teamwork skills.

Teams of four students will test their maths skills with an all-you-can-eat feast of problems!

There are several rounds requiring different skills and strategies for success. Each event takes between two and three hours, and awards will be given for good teamwork and for the winning team of each round.

We will leave school around 11:55am to arrive at Trinity by 12:45pm and depart from Trinity no later than 4pm. I would expect to arrive back at Newsome by 4:45pm. Students will need to bring a packed lunch as they will miss their school lunch period.

The aims of the afternoon are;

- Improve problem-solving skills using recreational maths
- Improve teamwork and communication skills

To secure your child a place on this trip, please fill out the reply slip and return to Mrs Milthorpe as soon as possible.

If you have any questions about this trip, please do not hesitate to contact me.

Yours faithfully,

Mrs H Milthorpe

Deputy Head of Mathematics

I give permission for my child _____ in tutor group _____

to take part in the Maths Feast on Wednesday 3rd March 2019.
