

Monday 26th September 2016

Dear Parent/Guardian,

On Friday 14th October we are planning to take a group of 14 Year 7 students to Catalyst Science Discovery Centre at Widnes.

This is part of the Gifted and Talented and Numeracy Across the Curriculum initiatives for mathematics and science. Students will have the opportunity to explore the centre and participate in a special maths/science trail around the museum. Pupils will also spend time problem solving and playing maths games in the puzzle room. The cost of the trip will be £5.00 and this includes admission to the centre and travel by minibus. We will leave school at 9.05am and arrive back at school at 3.15pm approx. Please arrange transport home for your child. Pupils will need a packed lunch.

As we are limited to taking 14 students, places will be allocated to the first 14 students who return the attached permission slip to Mrs Woods (maths). I will then write to you to confirm that your child has secured a place. Please note no payment is to be made until you have received the confirmation letter on which there will be details on making the payment using ParentPay.

I hope this will prove to be both an exciting and challenging day. If you wish your child to participate then please return the attached permission slip to Mrs Woods.

Yours sincerely,

Mrs Woods

.....

I give permission for my child.....to attend the trip to Catalyst on 14th October 2016.

Signed.....(Parent/Guardian)
