

2nd February 2018

Dear Parent / Carer

In view of the National Knife Crime Awareness Week commencing 12th February we are educating our young people about how to keep safe on the street. Following specialised knife crime assemblies on the 13th February that will be given to all year groups, we are planning a range of activities in conjunction with West Yorkshire Police and the Proactive Youth Offending Team.

On the 13th February, every year group will have a special assembly delivered by the Proactive Youth Offending Team. On the same day, the West Yorkshire Police and the Proactive Youth Offending Team would like to hold a special meeting for parents between 5pm and 6pm. This meeting will be an opportunity to get information about Knife Crime and ask any questions to the Team. If you would like to attend this meeting then please complete the reply slip at the bottom and bring back to school by Friday 9th February.

In addition to this, we have also created a dedicated webpage aimed at educating our students about the dangers of knife crime. This includes a new feature where students and parents/carers can submit a concern to the school if they are worried about any issue associated with gang and knife crime.

Thank you for your continued support. If you wish to discuss this issue further then please do not hesitate to get in touch.
