## Student Reports Information

Dear Parent/Carer,

We value the support you give your child at home to enable them to be successful in reaching their potential. With this in mind, this year, we are going to increase the frequency of reports in order to ensure you have up to date information on your child's progress.

We will be sending home 3 data reports throughout the year. The first will be at the beginning of the second term, in January, the second at the beginning of the 4th term in April and the final report at the end of the year in July. The reports will include current working grade and pathway, predicted final grade and attitude to learning grades.

Just a reminder that you can monitor your child's homework through Classcharts, which will show you their individual assignments. If you do not have a parent login, ask your child to request this from their form tutor or contact us directly.

Yours faithfully,

Miss L. Morgan  
Assistant Headteacher  
Achievement and Standards
