## School Meals Update

Dear Parent/Carer

You may be aware of the recent news stories around the use of non-stunned/HMC approved meat in Halal meals in Kirklees Schools.

I wanted to take this opportunity to confirm that this school **does not** provide any Halal meat meals as part of our school menu.

In addition to a standard meat based meal, we also provide a vegetarian option, as a daily alternative.

The vegetarian option is suitable for any children who follow the Islamic faith.

You can view your child's current school menu by following the relevant link below:

If you have, any concerns or questions about the food your child is eating at school please contact me.

Yours sincerely,

Mr D Watkin
