

13th March 2020

Dear Parents/Carers,

Ski Trip 2020 - Coronavirus Update

As you are aware we have been following the World Health Organisation and Government guidance on the Coronavirus and the impact this could have on our trip.

Further to the Prime Minister's announcement last night advising that all international school visits should now be terminated for the foreseeable future, we are in the process of making contact with the travel operator and the relevant insurance companies to understand our position with regards to refunds or possible re-bookings. Further information will follow in due course.

Myself and the staff team involved with this trip are saddened that we have had instructions to cancel, especially so close to the departure date and understand that you and your children will be extremely disappointed - we are too. Rest assured that we will look at all the options available to us and inform you as soon as we have further clarity on the situation. We expect this to be in the next week or so.

It goes without saying that the health of both our school and the wider community is of paramount importance and we will act in accordance with advice given by the Government.

We thank you for your understanding and will contact you as soon as we have information to share. Please bear with us while we await the information.

Yours faithfully,

Mrs Julie Robinson
Trip Lead
