Year 10 Mock Exams

Dear Parent or Carer,

Our Year 10 students will be sitting their GCSE mocks in EBacc subjects: English, Science, Languages and Humanities, from the 18th June. All exams will be taking place in GCSE exam conditions giving students the opportunity to experience what the GCSE exams involve and also allowing us to better prepare students for their final year.

We appreciate your support in encouraging your child to use their independent learning time to revise for these exams. If your child has any questions or concerns, please direct them to speak with their class teacher, who will be able to offer guidance and support.
