

11th November 2019

## Year 10 Parents' Evening and Careers Event

Dear Parent/Carer,

This year we are holding a careers event in conjunction with Year 10 parents' evening on **Wednesday 20th November**. We feel it is essential that your child is preparing for their next steps and understanding the opportunities available to them plays an important part in this.

In addition to meeting with class teachers to discuss your child's progress, there will be presentations with important information from our Careers Advisor explaining your child's opportunities to prepare for their future education and training upon completing their final exams. These will also provide essential details about our work experience programme which is scheduled to take place in the Spring term. In order to get the most out of this rewarding experience, we offer practical information and support about finding a suitable work experience placement.

We are also offering an opportunity for Year 10 and 11 students to meet representatives from Greenhead College, Kirklees College, Huddersfield New College and a variety of training and apprenticeship providers and employers. Advisors from C&K Careers will also be available to support with discussing future options.

The presentations will take place twice at 5.15pm and 7.30pm and will last approximately 15 minutes.

We look forward to meeting you on Wednesday 20th November.

Yours faithfully,

Miss L. Morgan  
Assistant Headteacher  
Achievement and Standards
