

11th November 2019

Year 11 Further Education and Careers Event

Dear Parent/Carer,

This year we are holding a careers event for Year 11 students on **Wednesday 20th November**. In addition to the support given to your child in school, we would like to invite you to join us to receive essential advice on making those important decisions with your child about their next steps.

There will be presentations with important information from our Careers Advisor explaining your child's opportunities for their further education and training upon completing their final exams. As you know upon leaving secondary school, your child must now stay in education or training until the age of 18 so the presentation will also provide essential details about how the new application processes work, up-to-date information on career pathways and entry requirements.

We are also offering an opportunity for Year 11 students to meet representatives from Greenhead College, Kirklees College, Huddersfield New College and a variety of training and apprenticeship providers who can explain in detail the courses they offer and how your child can access them. Advisors from C&K Careers will also be available to support with discussing future options and the latest developments in the future careers market.

The event will take place between 5.45pm and 7.30pm and the presentations will be at 5.45pm and 6.45pm, these will last approximately 15 minutes.

We really hope you are able to attend and look forward to meeting you on Wednesday 20th November.

Yours faithfully,

Miss L. Morgan
Assistant Headteacher
Achievement and Standards
