Dear Y11 Parents and Carers

Understandably, students, parents and carers in Year 11 may be worrying about the recent health situation and how this might impact on studies and preparation in the run-up to summer exams. With this in mind, we would like to draw your attention to an online classroom called 'Y11 GCSE Prep'. Our online GCSE Prep Classroom aims to give information, advice and guidance on all things GCSE related, including exam timetables, subject specific revision information, past papers and general support through a communication feed.

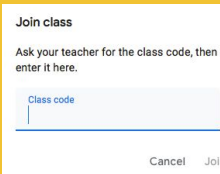

- After signing in, click on the 'grid' button on the top right of the screen.
- Select the icon named 'classroom'. This will take you to the area where all your child's classes are located.

- Once in the Classroom section, click on the '+' button to join a classroom.

- Enter the class code below to join the class and access all the materials
 - **izpujum**

We look forward to Year 11 students joining me and the team online!

Yours faithfully,

Mr D Watkin: Headteacher
