

Revision Information for Year 11 Students

Dear Parents and Carers,

We are fast approaching the start of GCSE exams with just over 5 weeks left to go. With this in mind, we would like to draw your attention to our programme of revision sessions after-school and in the Easter holidays. We urge you to ensure your child attends these additional sessions. While independent learning at home is important, it is vital that your child take advantage of every extra session given by their teachers who are able to hone the required exam techniques and skills in order for your child to achieve their very best.

There are sessions available every night after school:

Monday	Tuesday	Wednesday	Thursday	Friday
Maths	English	Science	Geography History RE French German	Art Performing Arts Music Photography

Most sessions are open to all students but some may be targeted at specific groups to offer more individual support. Teachers may also offer extra sessions on an evening other than those specified above.

We are also offering a programme of extended sessions during the Easter holidays:

Easter Holidays Revision: Week 1				
Monday 15/4	Tuesday 16/4	Wednesday 17/4	Thursday 18/4	Friday 19/4

Bank Holiday	Geography: 10am-1pm	History: 9am-10am RE: 10am-11am	Maths: 9am-12pm English lit: 12pm-2pm	

In addition to these revision sessions, we will also be giving your child a pack of past exam papers for each of their subjects to complete as independent work over the holidays. More examples of these and many other pre-exam resources can be found on our school website in the Student Section - GCSE Support or click [here](#). There are also sections dedicated to how you can support your child, external links and useful apps which can be used for a range of purposes from exam practice to guided meditation for coping with exam stress.

Finally, please do not hesitate to get in touch with us if you require further information. All subject teachers' contact details can be found on the contacts page of the website for subject specific guidance and form tutors are always available to offer general advice and information.

Yours faithfully,

Mr Watkin
