## Y11 Progress Evening

Dear Parent or Carer,

As your child has now started their final preparations for their GCSE and BTEC examinations we are keen to support them to ensure they are successful in reaching their full potential. In order to ensure we are providing students and you, as parents, with the best resources, we would like to invite you to attend a progress evening on Wednesday 9<sup>th</sup> October in order to share with you, information about how your child is being supported in school.

The presentation will also include tips and resources for how you can support your child at home and specific information from the Maths, English and Science departments on getting the best results in these crucial qualifications. Revision guides and workbooks will be available to order on the evening. Please see the list on the reverse for information.

The session will begin at 18.00 and end at 19.00. We really hope you are able to attend.

Please note this is a session aimed at parents and carers and is not open to students.

Yours faithfully,

Miss L Morgan  
Assistant Headteacher
