

22nd October 2018

Year 10 Parents' Evening and Careers Event

Dear Parent/Carer,

This year we are holding a careers event in conjunction with Year 10 parents' evening on **Thursday 22nd November**. We feel it is essential that your child is preparing for their next steps and understanding the opportunities available to them plays an important part in this.

In addition to meeting with class teachers to discuss your child's progress, there will be presentations with important information from our Careers Advisor explaining your child's opportunities to prepare for their future education and training upon completing their final exams. These will also provide essential details about our work experience programme which is scheduled to take place between the *11th and 15th March 2019*. In order to get the most out of this rewarding experience, we offer practical information and support about finding a suitable work experience placement.

We are also offering an opportunity for Year 10 and 11 students to meet representatives from Greenhead College, Kirklees College, Huddersfield New College and a variety of training and apprenticeship providers. Advisors from C&K Careers will also be available to support with discussing future options.

The presentations will take place twice at 5.15pm and 7.30pm and will last approximately 15 minutes.

The parents' evening appointments will run from 5.30pm to 7.30pm and can be made using the online booking system at www.newsomehigh.co.uk via the "Parents Evening Booking System" icon. The system is now live for you to access to arrange your appointments and will close on 20th November at 12 noon. Login is straightforward and can be made at <https://parents-booking.co.uk/newsome>. If you are unable to access the system electronically, please contact the office on the number above.

We look forward to meeting you on Thursday 22nd November.

Yours faithfully,

Miss L. Morgan
Assistant Headteacher
Achievement and Standards
